“Our original crackers and Sticks & Twigs have long satisfied our customers’ cravings for savory snacks and I’m excited to be expanding our offerings into a sweet category. These cookies happily satisfy a sweet tooth without overwhelming it,” said Mary Waldner, founder of Mary’s Gone Crackers. “In choosing the nutritious, real food ingredients to put into our ‘*love* Cookies’ we know that we are mixing in a lot of love into each recipe, which is how the name was born.”
