Mary's Gone Crackers™ Gives Chocolate the Love with New Cookie Flavor

*Gluten-Free Snack Company Sweetens love™ Cookies Line-Up with New “Double Chocolate”  
Option*

Gridley, Calif. (Oct. 1, 2010) - [Mary's Gone Crackers](http://MarysGoneCrackers.com)®, makers of organic, vegan, gluten-free snacks, today unveiled “Double Chocolate” as its newest *love*™ Cookies variety. The new flavor features a rich chocolate cookie scattered with organic dark chocolate chips. All of Mary's Gone Crackers organic, gluten-free *love* Cookies are made with low glycemic sweeteners, zero trans-fats, and are full of real food, nutritious ingredients.

Mary's Gone Crackers *love* Cookies are sweetened with coconut palm sugar, a pure, whole-food sugar that is made from the deliciously sweet nectar of the coconut palm tree. They also contain chia seeds, an ancient superfood high in healthful omega-3 fatty acids. As with all other Mary's Gone Crackers products, the ingredients in the *love* Cookies are carefully

selected to offer consumers a healthful and nutritious option, while satisfying the palate with delicious food. The entire Mary's Gone Crackers line is manufactured in a dedicated gluten-free facility to ensure there is no cross-contamination.

“Our Double Chocolate *love* Cookies are an incredibly decadent option for chocolate lovers,” said Mary Waldner, founder of Mary's Gone Crackers. “We worked hard to create a recipe that offers the rich, familiar flavor and texture of a Double Chocolate cookie, while also being free of gluten, dairy, eggs, and nuts. Like all of our food, *love* Cookies are real food, so you feel good after eating them! They are a delicious treat for everyone.”

Mary's Gone Crackers *love* Cookies are available in Double Chocolate, Chocolate Chip, “N’ Oatmeal™” Raisin (no oats!), and Ginger Snaps. They are available nationally in grocery stores and natural food stores. For more information about Mary's Gone Crackers, please visit [www.marysgonecrackers.com](http://www.marysgonecrackers.com).
